PRAYER FOR THE DAY

Creator God, You breathe life into all creation; you knit us together in our mother's womb and you baptize us into one Body. Pour out your Spirit and continue your creative work within and among us. Weave your hope through our life together that we may catch glimpses of your glory. Weave your light through our life together that in the darkness we might see your way. Weave your peace through our life together that all may dwell in safety. Weave your grace through our life together that in all things your joy may be our strength. Weave your love through our life together that we may grow more fully into the likeness of Christ. Amen.
